

Fee Schedule

(Effective June 1, 2007)

General Consulting: \$75.00/hour. Specific projects may be billed at a negotiated fixed cost.

Telephone Consulting: \$12.50 for each 10-minute period or portion thereof. Calls related to currently active projects or within the warranty period of a specific project will not be billed.

Travel: In addition to the hourly consulting fee, the client will be billed for travel to a designated job site according to the following schedule.

- Actual expenses incurred for lodging, commercial travel, and rental car. Alternatively these charges may be paid directly by the client.
- Actual expenses incurred for meals, not to exceed \$100.00/day. This charge does not apply if the job site is located less than 50 miles by road from West Terre Haute, IN.
- \$0.75 per mile driven to any location more than 50 miles from West Terre Haute, IN.

Materials: Unless specifically included in a negotiated fixed cost for a project, the client will be billed the actual cost of any materials required to complete a given project. These materials will become the property of the client.

Quotations

Quotations will be provided upon request for specific projects. Each quotation will be valid until the expiration date printed on the quotation, typically 45 days after the date of issue. Once a purchase order is received for a given quotation, that project will be considered to have a negotiated fixed cost. Changes made to the operational requirements of the software after development has begun may require re-quoting the project to accommodate any additional development time required.

Unless specifically included in the quotation, travel expenses will be billed separately as stated above.
